**Section G: Verify Certification Requirements**

	Date of most recent procedure performed	Initial
I have recently completed my fundamental training or am active in the permanent cosmetic industry.		
I have read the SPCP Code of Ethics and agree to abide by its terms, even if not an SPCP member.		Initial
I understand certification through the SPCP is voluntary and to maintain my certification, I must maintain SPCP or PCASA membership or member eligibility by abiding by the SPCP Code of Ethics.		Initial
I have not been denied SPCP/PCASA membership in the past, have not been asked to resign, nor had my membership revoked.		Initial
I have not withdrawn my SPCP/PCASA membership rather than comply with the SPCP Code of Ethics.		Initial
I have provided proof of 100 hours of Permanent Cosmetic education. If my certificates do not reflect hours, I have provided additional documentation from my instructor specifying the number of hours taken.		Initial
<p>I understand Permanent Cosmetic Professional Certification must be renewed every two years through the following requirements:</p> <ul style="list-style-type: none"> <li>• I must attend a Bloodborne Pathogens Standard Class every two years, unless required annually for my business, and proof of this education must be provided.</li> <li>• I must acquire a minimum of 12 hours of continuing education in the field of permanent cosmetics every two years and provide proof of this education.</li> <li>• Payment of renewal fees</li> </ul>		Initial
